What cared they for the groans of the victim as he lay stretched upon the rack? Yet propie whose hearts are neither as hard as the nether mill stone, nor whose fortitude is excessive, often have no pity on themselves—voluntarily incur life long torture by nestlect. Rheumatism, the most agonizing and obstinate of complaints is, perhaps, more frequently neglected in its incipiency than any other, the preliminary twinges being set down to the credit of "a cold in the bones" which will pass away of itself. Singular fatuity—fatal delusion! Hostetter's Stoms ch Bitters is a potent safeguard against the terrible inroads of this insidious and dangerous mainty—dangerous because of life. Neuraigia is also effectually counteracted and relieved by the Bitters, Maiaria, kidney complaints, debility, indigestion, billiousness, la grippe, loss of appetite and the inability to sleep are among the complaints eradicable with this genial corrective.
